## Words of Wisdom...*works towards the greater good*

My husband and I had the pleasure of volunteering as freshman parents in the grandstands of the Rose Parade over the holiday weekend. Never having attended the Rose Parade, there was admittedly some apprehension about being placed in charge of our grandstands. Having to be there to set up, assign posts to the volunteers in our section, be responsible for seating patrons, and maintain the overall flow of our section was at first an intimidating task. I have to tell you all, it was an experience beyond compare. Our volunteer crew was upbeat and lively, everyone took their positions very seriously and helped maintain a fun and comfortable environment for the patrons, while creating a circumstance in which we as the volunteers were not only working, but were able to view and enjoy the parade ourselves. The majority of us volunteers in our section were first time attendees, and the bonding that took place from having that shared first time experience allowed us not only to enjoy a beautiful sunny day in Pasadena with our kids, it allowed us to strengthen our bonds as band parents and gain experience that will aid in making next year that much more of a great experience.

Thank you to Dave O'Connell and our amazing booster board for running such a tight ship and providing us with the back-up and support needed to confidently man our stations! I speak for both my husband and myself when I say that we could not have been any happier about being part of such a fantastic fundraiser. It gave us both the opportunity to be a part of such a unique and enjoyable event, to aid in giving back to the Ayala band organization that has already provided us with so much fun and joy this year, as well as helping to teach our child how important it is to join in and lend a helping hand that works towards the greater good. I wish the same experience for you and hope to see you all out there at next year's Rose Parade, we will be there for sure!

Ja'net Viola  
Freshman Brass Section Parent

Greetings Ayala BAC family, I would like to take this opportunity to thank everyone for allowing me to serve as your booster president. It has been an incredible honor and a very rewarding experience. I am so humbled to have been surrounded by some of the finest people who are as dedicated to serving and keeping this machine moving. Even though I will not be leading the charge, I will continue to be as actively involved as a booster and look forward to the future events and the camaraderie we will have. I also wish to send the new Executive Board my full support and I hope you all will too.

Thank you again and again,

**One Band, One Sound,  
AYALA!**

Best Regards,

Dave O'Connell, 2010-2011 BAC President

## 2012 Executive Board Members

### Getting To Know...

**President, Vivian Campagnolo** - My name is Vivian Campagnolo and I am the incoming Ayala BAC Board President. For those of you who may not know me I have been married for 21 years, and am a mother of 3 teens two of which are currently members of the Ayala BAC. Ashley is a senior and plays trombone, Sean is a sophomore and plays sousaphone; and my youngest Kirstie is an 8th grader also a trombonist. I have been a faculty member of Ayala HS for the past 6 years in the Special Ed Department.

**Vice President – Adult Services, Stan Clements** - I have been involved with the Ayala BAC for 3 years now. I have helped out loading the semi, working on props, hauling equipment on and off the field, and parking at Music In Motion. My daughter Rachel plays the trombone, is in concert percussion and has been a drum major the past two years. As this coming year will be Rachel's senior year, I am looking forward to being on the executive board and a very exciting year to come.

**Vice President – Student Services, Cinthya Alvarado** - I am a fashion designer and I've been with my current employer, BP Clothing, since 1999. I am currently working a full time job and my duties include; supervising, fitting clothes on models, overseeing sample makers, sending tech-packs overseas and in charge of quality control. Thanks to my perseverance and hard work, I have had the opportunity to expand my knowledge and skills by traveling to Vietnam, China and Hong Kong while expanding my relationships with owners of factories directly in these different places. I will use all of my knowledge and vitality in the best way to strengthen this great program for our children. Thank you for giving me the opportunity to be part of Ayala BAC board.

**Treasurer, Grace Capps** - I am a 2nd year band parent and is looking forward to working with all the boosters. I have a freshman student and a 7<sup>th</sup> grader in advanced band at Canyon Hills Jr. High.

**Tour Director, Kathy Anderson** - I am a mom of three: a 10th grader in color guard, a 7th grader in band that's already looking forward to being a part of the Ayala BAC and one that is in college. I have loved watching my 10th grader be positively transformed as a result of being a part of Ayala BAC and I wanted the opportunity to give back to this amazing organization in a small way.

**Hospitality Director, Julie Montgomery** - Next year Rob and I will watch our oldest complete her senior in guard; help our twins transition to jr. high (band and color guard too); and celebrate our 25th anniversary. I look forward to providing our hungry kids with meals and snacks in the new season--Yes, I will need a lot of help prepping, baking, and serving to accomplish this incredible feat.

**Ways & Means, Susan Schock** - I have a freshman in the band and am a returning band parent.

## Message From the 2012 BAC President

I would like to take the opportunity in applauding the exiting Ayala Exec Board led by Dave O'Connell. Each of them have been instrumental in laying the foundation for the program's boosters in coordinating so many of the behind the scenes logistics for our children. **Many thanks to you all for your years of commitment and dedication.** Now as the torch is passed, a new Ayala BAC Exec Board is in place to continue on the legacy. On behalf of my new board members we thank you fellow boosters for entrusting us with our respective positions, and I believe that we will work together with Mr. Stone (Director), instructors and BAC Families, with the vested interest of continuing in serving the high caliber program for all Ayala BAC members. Our mission will be to continue supporting BAC members that they may experience the journey of a life time. I encourage each of you to continue supporting the Ayala BAC with your fairshare donations, in addition to sharing your talents, and time during the course of the year by signing up to volunteer at the different events posted on the Ayala BAC Website. It indeed takes a village to ensure the program's success. I like to think of us as one **big family**, and together we can share and enjoy the endless memories created in this program we are all so very proud of. I look forward to seeing old and new faces along the way, as we experience and watch with awe the continued growth and success of the **Ayala BAC!**

Sincerely,

**Vivian Campagnolo**
